Message from Principal

Dear Parents,

Greetings from CIS!

As we step into a new academic year, I extend a warm welcome to all members of our school community. A new beginning brings renewed energy, fresh aspirations, and the promise of growth for both our learners and educators.

This year, we are delighted to welcome a group of highly experienced and passionate teachers to our institution. Their expertise, combined with their commitment to nurturing young minds, will further strengthen our academic environment and enrich the learning experiences we offer. We look forward to the valuable perspectives and dedication they bring to our school.

The school has witnessed remarkable student engagement across a wide range of activities, all of which you will discover in the following pages. These experiences reflect the enthusiasm, creativity, and commitment of our learners as they continue to grow beyond the classroom.

At the same time, the close of this term marks an important opportunity for rest and rejuvenation. I wish all our students, parents, and staff a joyful and refreshing summer vacation. May this time be filled with meaningful moments with family, opportunities for exploration, and the simple joys of togetherness.

We look forward to welcoming everyone back, re-energized and ready for another year of learning, growth, and achievement.

Warm regards,
Principal

Aruna Muddana
