### Message from Principal

Dear Parents,

Greetings from Candiidus International School!

“Learning happens best when students are not just learning about something, but actively creating something.”

December has been a month of meaningful learning and joyful celebration at our school. We introduced Project-Based Learning, with students being thoughtfully briefed about their projects—Primary learners engaging in an interdisciplinary, Global Perspectives—integrated approach, while Secondary students began their Futures Literacy (FL) projects, nurturing inquiry, critical thinking, and future-ready skills.

In the spirit of the season, students were meaningfully engaged in the ‘Grace of Goodness’ activity, fostering empathy, gratitude, and social responsibility. The Annual Day celebration was a resounding success, showcasing student talent, collaboration, and learning beyond the classroom. This achievement would not have been possible without the dedicated efforts of our teachers, the enthusiasm of our students, and the constant support of our parents and staff, whose partnership continues to strengthen our learning community.

As we embrace the festive spirit of Christmas and welcome the New Year, we extend our warm wishes to the entire school community for peace, joy, and continued growth.

Warm regards,  
Aruna Muddana  
Principal

## Grace of Giving Week!

As part of Grace of Giving Week, Candidus International School organised a donation drive to support the underprivileged. With the contributions from our school community, the collected materials were given to Mahima Ministries Old Age Home and Orphanage. This meaningful initiative helped our students experience the true spirit of empathy, kindness, and social responsibility, reinforcing the value of giving back to society. Through such acts of compassion, we continue to nurture responsible and caring global citizens.

## Annual Day & Fifth Anniversary Celebration

We proudly celebrated our Fifth Anniversary and Annual Day, making the occasion truly special and memorable. The theme, "Conflict to Concorde," came alive through breathtaking dance and musical performances that captivated the audience and powerfully conveyed messages of peace, unity, and harmony. Our talented students presented an inspiring showcase of creativity, confidence, and purpose, beautifully highlighting the importance of concord in today's world. The grand success of the evening marked not only a celebration of talent but also a significant milestone in Candidus' journey of growth, excellence, and togetherness. A night filled with joy, pride, and unforgettable moments!

**Learning Engagement**

## Exploring Light & Heavy Objects

Children joyfully engaged in a hands-on learning experience to understand the concept of light and heavy. Through active exploration, they lifted and compared different objects such as a heavy water bottle and a light water bottle, a heavy rock and a light rock, and many other classroom materials.

As they explored, children confidently used the words “light” and “heavy”, shared their observations, and expressed their ideas through simple discussions. This interactive activity helped strengthen their concept understanding, vocabulary, and fine motor skills, while encouraging curiosity and active participation in learning.

### Count On Using a Number Line Activity

Students engaged in a fun and interactive “Count On Using a Number Line” activity, where they explored addition by moving forward along a number line. This hands-on approach helped them understand number sense, sequencing, and basic arithmetic in an enjoyable and meaningful way, making learning both visual and effective.
