Principal's Desk

Message from Principal

Dear Parents,

Greetings from Candiidus International School!

“Learning is not always found in books; it is often discovered in experiences that challenge us to grow.”

As we move through November, our school is abuzz with energy and enthusiasm as we actively engage in preparations for our Annual Day celebration. This special time of the year beautifully highlights how learning extends far beyond the four walls of the classroom.

Through rehearsals, collaborations, creative planning, and shared responsibilities, our students are learning in informal yet powerful ways. They are developing essential life skills such as communication, teamwork, risk-taking, and creativity. Stepping onto a stage, trying something new, or taking responsibility behind the scenes encourages learners to move beyond their comfort zones. Along the way, they learn crisis management—responding to last-minute changes, solving problems under pressure, and adapting to unexpected challenges. These moments foster resilience, helping students persevere, reflect, and grow stronger through experience.

Annual Day preparations also reflect our belief that education is holistic. Whether through music, movement, art, leadership roles, or behind-the-scenes coordination, every child finds a meaningful space to learn and contribute. Such moments remind us that learning happens everywhere—in interactions, experiences, and reflections.

Together, we continue to nurture learners who are prepared not only for academic success, but for life beyond school.

Warm regards,
Aruna Muddana
Principal

Celebrating Success

District Sports Zone Tournament Achievement

We are delighted to announce that Chinimilli Lakshmi Laasya of CIS represented Sangareddy District in the State Level U/17 Basketball Tournament organized by the School Games Federation of Telangana State, held at Dr. B.R. Ambedkar Stadium, Karimnagar, from 25th to 27th November 2025. The Sangareddy team secured 3rd place, and Laasya made a valuable contribution to this achievement. Congratulations to Laasya and the entire team!

Celebrating Success

Sports Achievements

We are happy to share that our student Shaili Datha (Grade 6A) participated in the Football State Meet, representing the Medak and Sangareddy districts. Her team emerged as the Overall Champions, a commendable achievement.

We also appreciate Samay (Grade 8) for participating in the Inter-School Tennis Competition held at Phoenix Greens International School on 27th November. His participation reflects strong sportsmanship and enthusiasm for competitive sports.

Children's Day Celebration at CIS

Children's Day at CIS was a joyful celebration filled with fun activities, free play, and a special performance by our teachers — all dedicated to the wonderful children who make our school shine. Students were also gifted small pots with seeds, encouraging them to nurture and grow their own plants at home — a gentle reminder that learning, responsibility, and care continue beyond the classroom. As part of our commitment to student well-being, a health camp was organised to support the physical health and overall well-being of our students.

Learning Beyond the Classroom!

Students of Grades 7 to 9 visited Mahima Ministries Orphanage, where they spent meaningful time with the children and participated in fun, interactive activities. The visit helped students understand the importance of empathy, kindness, and sharing, reinforcing the idea that learning extends beyond textbooks and classrooms.

Experiences like these nurture compassion, gratitude, and social responsibility—values that stay with students for life. ❤️

Learning Engagement

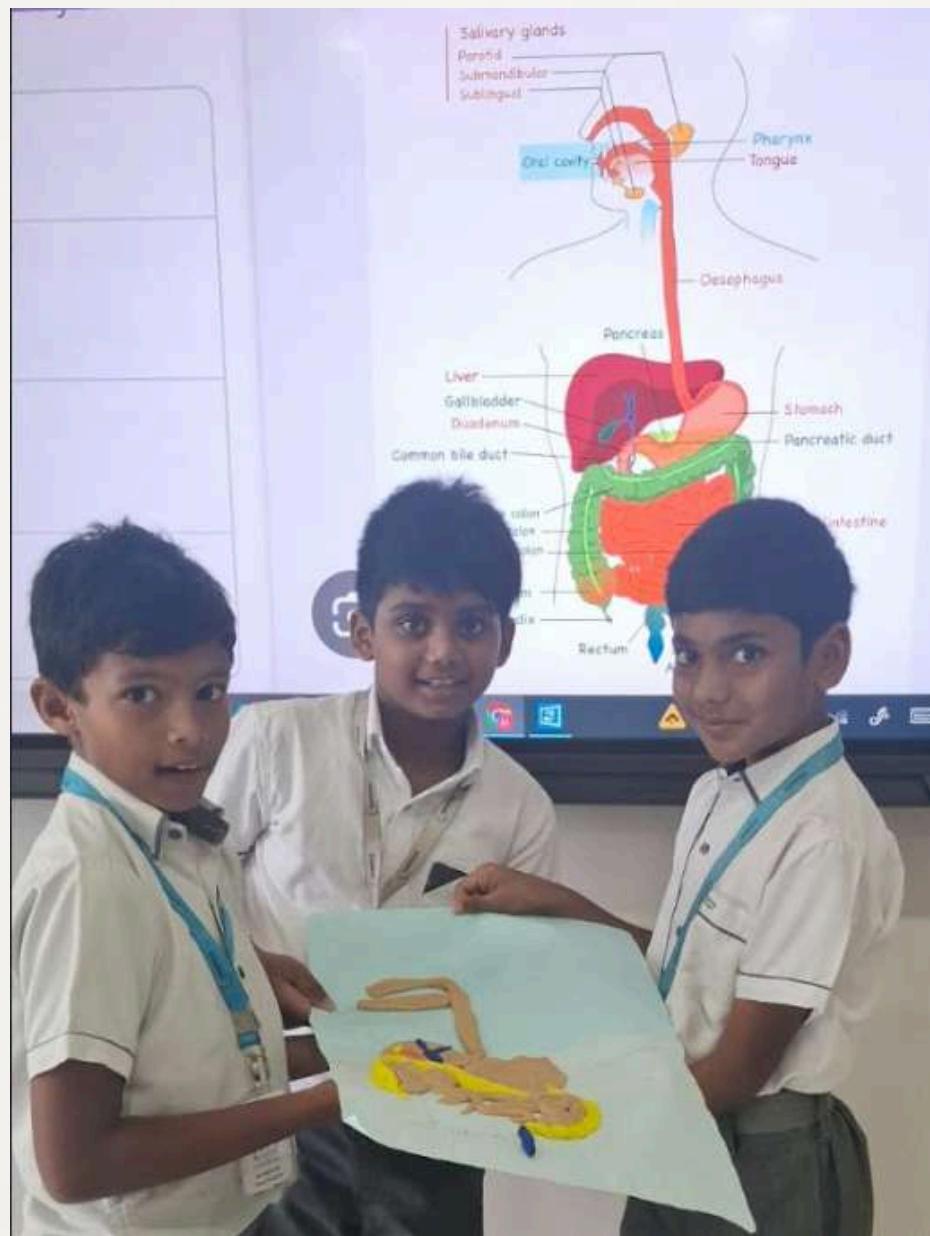

Building Communication Skills!

Grade 5 students actively participated in debates on various topics, helping them enhance their communication skills, confidence, and critical thinking. The activity encouraged students to express their ideas clearly while listening respectfully to diverse viewpoints.

Active Learning in Action – Primary Section

Through an engaging active learning approach, our primary students learned about internal organs and their functions. They created 3D models and confidently presented their understanding to the class, making learning hands-on, visual, and enjoyable. This activity helped build curiosity, creativity, and communication skills while strengthening conceptual understanding.

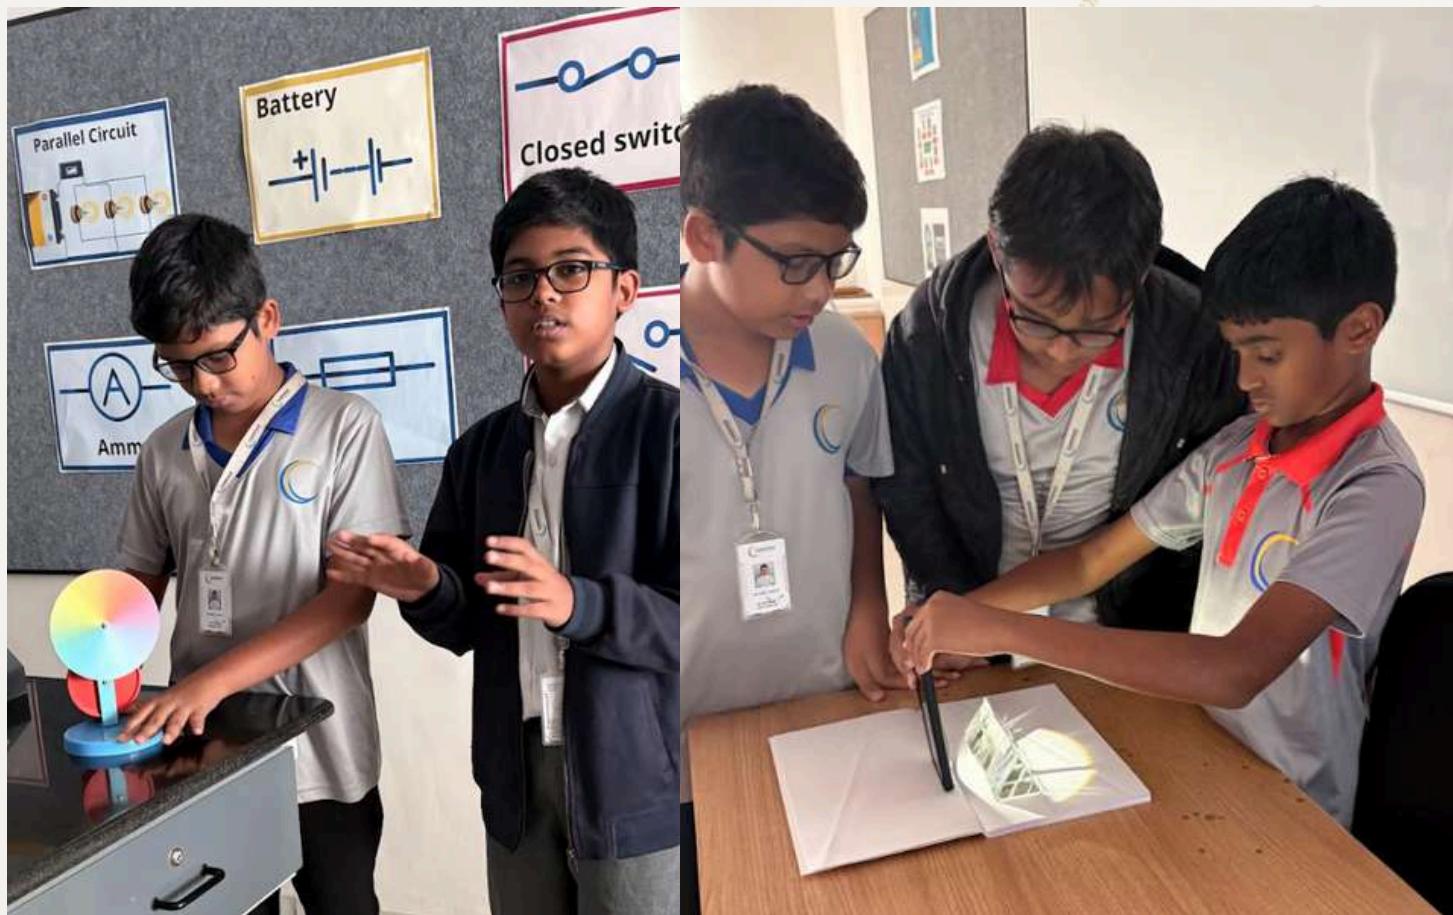

Learning Engagement

Exploring the Science of Light!

Our enthusiastic Grade 7 students explored the fascinating world of light through hands-on experiments on reflection, refraction, and dispersion. Using prisms and both natural and artificial light sources, they witnessed the magical splitting of white light into a vibrant spectrum—bringing science to life through curiosity and discovery.

Learning Engagement

Flipped Classroom – IGCSE Economics (Money & Banking)

Our IGCSE students explored the topic Money and Banking through a flipped classroom approach, preparing concepts in advance and engaging in collaborative discussions, case studies, and peer learning during class. This active learning experience enhanced critical thinking, real-world understanding, and student confidence.

Heartfelt Thanks from Team Candiidus!

As we wrap up another vibrant month at Candiidus International School, we extend our sincere gratitude to everyone who makes our community so special.

- ⭐ To our students – thank you for your energy, enthusiasm, and eagerness to learn.
- 👩‍🏫 To our teachers – your commitment and creativity continue to inspire young minds every single day.
- 👨‍👩‍👧 To our parents – your trust and support mean the world to us.
- 🔧 To our staff – your behind-the-scenes efforts help everything run seamlessly.

Every achievement, smile, and moment of growth is a shared success. Let's carry this spirit forward into the coming month with the same passion and positivity!

Together, we grow. Together, we shine.
