Strengthening School-Home Partnerships

Candiidus International School conducted separate Parent Orientation sessions for the Cambridge Early Years, Primary, Secondary, and CBSE stream. Led by the Principal and Academic Coordinators, each session offered parents a clear understanding of the academic flow, curriculum expectations, and key guidelines for the year ahead. The orientation also reinforced the importance of the parent-teacher-student triangle, highlighting collaboration as the cornerstone of a successful learning journey. Together, we look forward to a year of growth, communication, and shared purpose.

First Interstate Cultural Exchange!

Our Grade 5 students had an enriching online interaction with a school from Maharashtra as part of our first interstate conversation initiative. The session was filled with warmth, laughter, and delicious moments as students shared stories about their regional cultures – from vibrant festivals to traditional attire – all while enjoying cookies together virtually!

It was a beautiful celebration of unity in diversity, encouraging young minds to appreciate and respect different traditions across India.
